

KIPP:

New Jersey

KIPP Lanning Square Primary

KIPP New Jersey's first school in Camden, NJ serves 245 kindergarten and first graders as part of KIPP Cooper Norcross Academy, located in the Lanning Square neighborhood.

A NEW KIND OF PUBLIC SCHOOL

Through the Urban Hope Act, KIPP Cooper Norcross Academy at Lanning Square is a renaissance school: a new kind of public school in New Jersey that combines the autonomy of charter schools with a direct and cooperative relationship with the district, higher funding, and guaranteed admission to all students living in the surrounding communities of all five schools.

ABOUT KIPP NEW JERSEY

KIPP New Jersey is part of the nationally recognized "Knowledge Is Power Program" network of free, open-enrollment, college-preparatory public schools dedicated to preparing students in under-served communities for success in college and in life. We opened our doors in 2002 and will continue to grow to reach 15 schools in Newark and Camden. By offering outstanding educators, more time in school learning and a culture focused on achievement, 92% of our high school seniors have matriculated to college proving that demographics don't define destiny.

WHAT MAKES LANNING SQUARE PRIMARY UNIQUE?

CO-TEACHING

Each classroom has two teachers (and sometimes more!) helping the students learn. As a result, teachers can pull small groups, provide extensive interventions, continuously assess students, and teach together with another committed and passionate teacher. This model ensures that all students receive the support they need to excel.

TO AND THROUGH COLLEGE

Part of a team that supports to and through college - Students at Lanning Square Primary will start in our pre-K program and continue with us through elementary, middle, and high school. Being a part of KIPP New Jersey also means that students have an advisor and a KIPP Through College team to support them on their journey to and through college.

CHARACTER EDUCATION

At Lanning Square Primary, we are committed to helping all students develop their character through leadership, self-confidence, and advocacy skills. These skills, combined with a rigorous standards-based curriculum, will help ensure our students are leaders both inside and outside of the classroom.

VALUES

Love Yourself, Others and Learning

Excel and Achieve

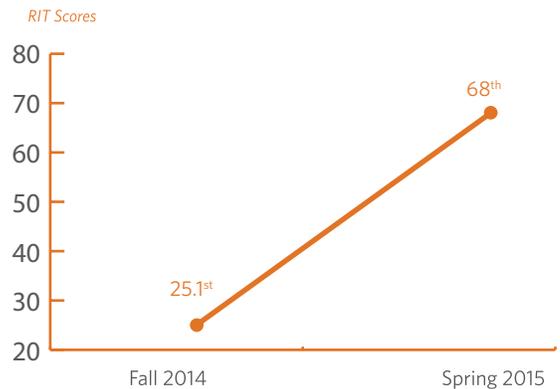

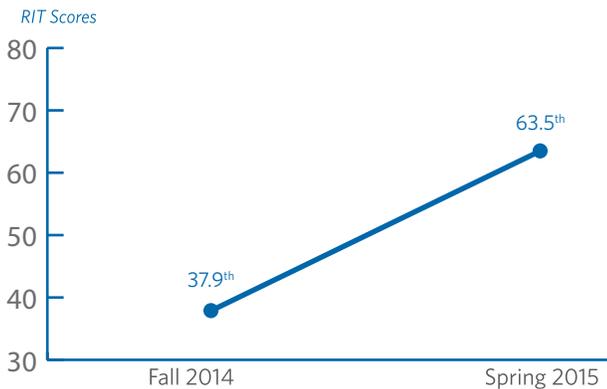

Act like a Leader

Develop and Grow

RESULTS

Test scores aren't everything, but they do tell us a little about how we're doing. In KLSP's first year, students started with an average reading percentile at 37.9 percentile on the MAP, and grew to 63.5 percentile by the end of the year. In math they averaged at 25.1 percentile, and ended the year averaging in the 68 percentile.

ABOUT ANNE

Anne Kadowaki is the founding school leader at KIPP Lanning Square Primary in Camden, New Jersey. She is motivated and inspired by the commitment of her students, families, and staff to overcome educational inequality in a city on the verge of an educational revolution. Prior to being a KIPP Fisher Fellow in 2013-2014, Anne served five years at KIPP Rise Academy in Newark, New Jersey, and was a 2006 Teach For America corps member in Newark.
