

Dear KIPP Newark Families,

We hope that you had a great week! We can't wait to welcome our students back on **Monday, 8/24!** In this blast, you will find information about the following topics:

- Remote Learning Resources: How to Videos for Families to Set Up Remote Learning
- RSVP for the Next Town Hall on **Thursday, 8/20 from 6-7!**
- RSVP for the Special Education Town Hall on **Wednesday, 8/26 from 6-7!**
- Meal Service Family Portal

### Remote Learning Hub

Click here to visit our [Remote Learning Hub](#). Here you can find “how to” videos on all aspects of remote learning, resources to support online learning, and answers to your questions about remote learning. You can also use the hub to access tech support, the staff directory, and coronavirus resources.

Your child's report card will be available on DeansList! [Access DeansList Now](#)

### Town Hall

Please RSVP [here](#) to join our Family Town Hall on **Thursday, August 20th from 6:00 - 7:00 p.m.** and submit any questions you have that you'd like us to address! We cannot promise that we will have answers to all questions, as our plan will continue to evolve depending on guidance from the state and the current health situation, but we will do our best to

communicate transparently and keep you updated as we learn new information. We will have Dr. Rahaman, an emergency room physician from NY Presbyterian, join us to help answer your medical questions as well.

### **Special Education Town Hall**

We would love to connect with our families as we prepare to reopen our schools in a way that ensures our students are safe, connected, and learning in the year ahead. Over the past few weeks we've received a lot of questions from families with children who have IEPs and have decided to host a Special Education Town Hall on Wednesday, **August 26, 2020** from **6:00 – 7:00pm**. The purpose of this town hall is for families to hear more about our plans to support students with IEPs and 504s and to provide a forum for families to ask questions about the ways in which we will support students with disabilities during this unprecedented time. If you'd like to join this Town Hall on 8/19 please [RSVP here](#) and submit any questions you have that you'd like us to address! We cannot promise to have answers to all questions but we will do our best to communicate transparently and keep you updated as we learn new information.

### **Meal Service Family Portal**

We encourage all families to sign-up for our new meal service portal, [Titan](#), to track their child's meal balance. If you had a positive balance at the end of the school year on MySchoolBucks, then the balance automatically rolls over to the new system, Titan, for this school year. You can contact your school's main office with any questions regarding your child's current meal balance and support with signing-up for the new family portal.

Have a wonderful weekend!

Love,  
Ms. Belcher
