Sunshine Law Announcement

The New Jersey Open Public Meetings Law was enacted to ensure the right of the public to have advance notice of and to attend the meetings of Public bodies at which any business affecting their interest is discussed or acted upon. In accordance with the provisions of this act, TEAM has caused notice of this meeting to be posted on our website along with call in information for the public to join. This notice complies with the changes to the open meetings law enacted pursuant to the COVID-19 State of Emergency.

In order to maximize the amount of time spent during our meetings on important, substantive discussions we are continuing to move more of the routine administrative agenda items to consent agenda. As a reminder, all of the items on the consent agenda are voted on in a single vote without questions or discussion. We do not want to preclude discussion of topics that any of you believe warrant it, however, so please read the Board packet in advance and let us know if you see anything on the consent agenda that you want moved to the regular agenda so that it can be discussed by the Board.
