

KIPP:NEW JERSEY PUBLIC SCHOOLS

Blended Learning Resources

- [Family resource for Illustrative Math.](#) This is our new Elementary school Math curriculum that will be fully rolled out in SY24. Some schools/grades are beginning to use it this coming school year (2022-2023)
- [Writing Contest Winner page.](#) This is updated every June with our new winners for the school year and highlights the awesome writing our students are doing across grade levels in all three cities.
- [iReady family center.](#) iReady is the blended learning platform that we use K-8
- [National Education Equity Lab.](#) Our New Jersey High School's have partnered with Ed Equity to provide high quality, college dual-enrollment courses to our high schools.
