○ HOURS

Please note that KIPP Newark attempts to follow the NPS calendar as closely as possible. However, to implement our program, there are a few variations in the calendar. Please refer to the KIPP Newark calendar at the back of this handbook.

THRIVE Academy	
Monday, Tuesday, Thursday, Friday	7:45 am – 3:30 pm
Wednesday or Early Dismissal Days	7:45 am – 12:30 pm

○ BELIEF

THRIVE Academy will be driven by the core operating principles of the Five Pillars that all Knowledge Is Power Program (KIPP) Schools share:

1. High Expectations. KIPP Schools have clearly defined and measurable high expectations for academic achievement and conduct that make no excuses based on the students' backgrounds. All stakeholders (scholars, parents, teachers, and staff) create and reinforce a culture of achievement and support through a range of formal and informal rewards, and consequences for academic performance and behavior.
2. Choice & Commitment. Students, their parents, and the faculty of each KIPP School choose to participate in the program. No one is assigned or forced to attend these schools. Everyone must make and uphold a commitment to the school and to each other to put in the time and effort required to achieve success.
3. More Time. KIPP Schools know that there are no shortcuts when it comes to success in academics and life. With an extended school day, week, and year, scholars have more time in the classroom to acquire the academic knowledge and skills that will prepare them for competitive high schools and colleges, as well as more opportunities to engage in diverse extracurricular experiences.
4. Power to Lead. The principals of KIPP Schools are effective academic and organizational leaders who understand that great schools require great School Leaders. They have control over their school budgets and

personnel. They are free to swiftly move dollars or make staffing changes, allowing them maximum effectiveness in helping students learn.

5. **Focus on Results.** KIPP Schools relentlessly focus on high student performance on standardized tests and other objective measures. Just as there are no shortcuts, there are no excuses. Scholars are expected to achieve a level of academic performance that will enable them to succeed at the nation's best high schools and colleges.

- **General Procedures & Operations**

- **Arrival & Dismissal Procedures**

School's Arrival & Dismissal Procedures	<p>Arrival:</p> <p>The arrival entrance is located on Livingston Street. Doors will open at 7:45 AM. Students MAY NOT be dropped off before 7:45 AM as they will not be supervised or allowed into the building regardless of weather conditions. THRIVE Academy is not responsible for any students dropped off prior to 7:45 AM.</p> <p>Dismissal:</p> <p>Parents can begin picking up their students at 3:30 PM on full days and 12:30 PM on half-days, which includes every Wednesday.</p> <p>Please keep in mind that in order to ensure safe transitions and efficient pack-up routines, early pick up is not permitted between 3:00-3:30 pm (12:00-12:30 pm on Wednesday).</p> <p>Students must be picked up from THRIVE Academy no later than 3:40 PM on full days and 12:40 PM on half-days.</p> <p>Families will pick-up their child from the designated spot – Door locations will be shared with you at Welcome Night, and prior to the 1st day of school. There will be checks and re-checks to ensure your child is picked up by an authorized person. The school will provide each student with a Driveline code that is a four-digit code unique to each child. This is considered a formal school identification card.</p>
--	--

Anyone you share the Driveline code with will have permission to pick up your child.

If a KIPPster is not picked up from school by 3:40 PM on full days or 12:40 PM on half days, schools will follow regular protocols and the staff designee will call the names listed on the emergency contact information. If the school cannot reach any of the contacts during a reasonable time period, THRIVE Academy may contact the local police precinct, who will take appropriate follow up action, which may include a wellness visit at the child's home. If still no one has been reached, the precinct will take the child into their care and continue to try to reach an emergency contact, or may contact child welfare (DCP&P).

Dismissal Plan Changes:

If a child is picked up for an afterschool program (such as Glow Girls or Boys and Girls Club), parents must email the main office at THRIVEMainOffice@kippnj.org before 10am to make dismissal changes.

Student Release - Safety:

To ensure the safety of our students, all individuals who are picking up your KIPPster **will need to have a Driveline code or a form of identification.**

- Individuals without printed Driveline cards (first 3 weeks of school) will be made to wait until we can check ID against the pick up list.
- After the first 3 weeks of school, if we recognize the individual they need only the code.
- After the first 3 weeks of school, we will dismiss to any recognized individual with the correct code.
- If we do not recognize the individual, or if for whatever reason staff requests identification, it must be provided in an abundance of caution.
- If it cannot be provided, staff will attend to all families who came with proper pickup documentation, THEN support.
- If there is any question about an individual who is there to pick up a KIPPster, the primary guardian will be contacted to verbally verify before the KIPPster is released.

You have already identified up to 5 individuals other than a KIPPster's 1-2 primary guardians who will have permissions. If you wish to add another person to the Student Release list, you must contact the school in writing via email: THRIVEMainOffice@kippnj.org. These requests may take up to five days to process.

○ **Recess Policy**

The purpose of recess is to provide your student with a short break, fresh air, and informal participation in positive social and physical activities. Recess will be held in appropriate locations or outside, except in extreme weather conditions. Families are expected to ensure that your student is dressed appropriately for the weather. If there is a medical reason your student may not participate, please contact your school's Main Office.

○ **Uniform Policy**

All THRIVE students are required to wear the complete school uniform every day. Our uniform policy is designed to build a sense of pride within our school community and to ensure that our students look professional yet remain comfortable as they learn. Students must remain in uniform at all times while on campus.

Uniform is as follows:

- THRIVE polo shirts, short or long sleeve

- Navy slacks, shorts or skorts for bottoms. No other color will be accepted. **Jeans are not acceptable as navy pants.**
- Footwear must have a rubber sole and be appropriate for school. This will allow our KIPPsters to be safe. KIPPsters may not wear sandals or shoes with heels/wedges, wheels attached, or lights.
- KIPPsters may not wear any hats or headwear inside the school building except for religious head coverings.

Violations: Any accessory or article of clothing that becomes a distraction to the learning environment will be sent home with a note and will become a dress code violation if it is worn or brought back to school. Students who attend school dressed improperly may be required to call their parents/guardians to bring clothes meeting dress code requirements. Repeated violations of dress code or intentionally ignoring dress code expectations will result in additional consequences. Conversely, scholars who dress in uniform consistently may be recognized with points and qualify for prizes and/or trips.

○ **Field Trips**

Field trips are one of the many ways we expose our students to a variety of life experiences and reward them for doing the right thing.

No student will be permitted to leave the school for a field trip if they do not have written permission from a parent/guardian. Please be sure to sign all permission slips in a timely manner. If written permission was not received or if the student has not satisfied the requirements made by the school leader or teacher, staff will leave your child at the school under the supervision of a THRIVE staff member.

Chaperones. We welcome parent/guardian chaperones on our field trips throughout the year as space permits. School staff will let you know how to sign-up to support as a chaperone. Please note, chaperones will be required to attend a meeting to review roles and responsibilities in advance of all trips.

Finally, please note that siblings are not allowed to attend school field trips, and chaperones are not allowed to bring other children or adults with them on these trips.

○ **Transportation Policy**

Bus transportation will be provided for qualifying students with IEPs. Please contact our social workers or Assistant School Leader for Special Education for additional information.

KIPP Newark follows the State of New Jersey transportation and Newark Board of Education policy and only gives tickets to students that are qualified based on distance. Bus tickets are distributed to the students who qualify for it weekly by the office staff.

If you are a Newark resident and live more than 2.0 miles away from our 18th Avenue campus you will receive bus tickets.

Students will only receive tickets based on travel routines. This means that if you get dropped off to school in the morning by your parent in a car, and take the bus home from school, you will only receive one bus ticket for that day. Bus tickets should only be used to get to school and to go home from school.

• **Attendance**

- **Attendance Expectations**

Students who come to school 97% or more of the school year have excellent attendance. This means a student has less than 5 absences for the entire school year! At KIPP Newark schools, we take attendance seriously. We celebrate students who reach perfect attendance milestones and we place students/families in interventions when student attendance is low. We expect all families and students to make every possible effort to get to school on time, each and every day.

- **Absence Notification**

Absences happen. We care about your child's whereabouts! Please contact us to let us know why they are away from school.

Contact your child's teacher at the beginning of the instructional day. They will provide their number at multiple points at the beginning of the school year. If you do not know how to reach them, please email THRIVEMainOffice@kippnj.org. If your student is marked absent by the teacher and we have not heard from you, then you will receive a phone call and/or text message from the school. Our main priority is to make sure each and every one of our students is accounted for.

- **Excused Absences**

KIPP Newark schools follow the New Jersey Department of Education and define EXCUSED absences as:

- 1.) Religious observance [N.J.S.A. 18A: 36-14 through 16 and N.J.A.C. 6A:32-8.3(j)]
- 2.) Participation in observance of Veterans Day, pursuant to N.J.S.A. 18A:36-13.2; 3
- 3.) Participation in district board of election membership activities, pursuant to N.J.S.A. 18A:36-33
- 4.) Take Our Children to Work Day
- 5.) College visit(s), up to three days per school year for students in grades 11 and 12 and
- 6.) Closure of a busing school district that prevents a student from having transportation to the receiving school.

Days missed due to illness, appointments, or any other reason are considered unexcused.

- **Unexcused Absences**

Student absenteeism can lead to low academic achievement, school dropout, delinquency, and gang involvement. School districts that have established multi-systemic approaches and policies pertaining to student absenteeism typically experience fewer numbers of dropouts and a greater number of graduates. The attendance regulations (N.J.A.C. 16:6-7.8) require each district board of education to develop, adopt, and implement policies and procedures regarding the attendance of students, including the adoption of a definition of "unexcused absence," and the provision of mandated services for students with between one and nine cumulative absences. For all absences, documentation should be provided to the main office. Examples include doctor's notes, court documents mandating a court appearance, and family funeral programs.

- **Common Absences**

In our history as KIPP Newark schools, we've noticed the majority of student absences are related to appointments scheduled during school days and sickness. We encourage families to schedule doctor and dentist appointments during days when students do not have school. We know that this is not always possible, so if you do need to schedule an appointment during a school day, please make every effort to bring your student back to school so that he/she does not miss important instruction.

Students also get sick from time to time. But when is sick too sick for school? We recommend using the descriptions below to assess whether you should send your child to school.

Send my student to school if...

- My student hasn't taken any fever reducing medicine for 24 hours, and my student hasn't had a fever during that time.
- My student hasn't thrown up or had any diarrhea for 24 hours.

Keep my student at home if...

- My student has a temperature higher than 100 degrees even after taking medicine.
- My student is throwing up or having diarrhea.
- My student's eyes are pink and crusty.

Call the doctor if...

- My student has had a temperature higher than 100 degrees for more than two days.
- My student has been throwing up or having diarrhea for more than two days.
- My student had the sniffles for more than a week, and he/she is not getting better.
- My student still has asthma symptoms after using asthma medicine (and call 911 if my student is having trouble breathing after using an inhaler).

○ **Chronic Absenteeism**

Students who are excessively absent are considered **chronically absent**, a legal term. Students who are chronically absent miss more than 10% of the school year or more than 18 days absent. We cannot emphasize enough the impact absences have on student learning. Instructional learning builds on content from the previous day. If students miss school, they can quickly fall behind.

If your student becomes chronically absent, then you *and* your student will receive the interventions below:

- A meeting with your student's teacher
- A meeting with an Assistant School Leader and/or social worker
- A meeting with the School Leader and/or Director of School Operations

We believe it is not fair for children to be deprived of equal opportunities to learn as their peers. The interventions listed above are only a few examples the schools will take to ensure your student comes to school each and every day.

Families who fail to bring their scholar to school regularly put them in jeopardy of retention (repeating the same grade), as these scholars are significantly less likely to develop the skills required to succeed in the next grade.

For serious offenses, additional interventions will be taken into consideration.

○ **Tardies**

In order to fully implement our rigorous educational programs at KIPP Newark schools, we must make use of every minute. Students who arrive after 8:00 AM are considered tardy. Students are required to sign in at the main office before going to class.

○ **Early Dismissal**

The end of the day is just as important as the beginning of the day. If your child has a medical or dental appointment or family emergency requiring you to come to school requesting an early dismissal, please notify the main office in advance. Parents/guardians are required to sign-out students from the main office for any early dismissal. Please try to arrange appointments for after school whenever possible. A student will only be dismissed to a parent or person listed on the authorized release list.

ES & BOLD Academy

Main offices close for 30 minutes before dismissal and no early dismissals are permitted during this time.

- 3:00 - 3:30 pm = MTThF
- 12:00 - 12:30 pm = W

- **Home Instruction**

In limited circumstances, it may be necessary for the school to provide a student with homebound instruction. Pursuant to N.J.A.C. 6A:16-10 et seq., the school may provide home instruction under the following circumstances:

- A child's temporary or chronic health condition results in missing more than 10 consecutive school days or 20 cumulative school days during the school year. In this situation a written determination from the child's physician is required.
- A child is on out of school suspension for longer than 4 consecutive school days.
- Court order or other state mandated placement.

- **Parent Involvement**

- **Parent-Teacher Communication**

School Communication	At THRIVE Academy, we believe it takes a village and that our parents are our partners in this work. Families can expect progress updates from their child's teacher at least once every two weeks, progress reports every two weeks, updates on Class Dojo three times a week (Informative, Academic and Fun) and a monthly school newsletter including an event calendar and school highlights.
Teacher Expectations	Teachers and staff are available to speak to families via phone, text, class dojo, and email. If a family member has any questions or concerns

The fourth is the school leader. <p>Please keep in mind that there is an expectation of mutual respect between parents and staff. Respectful language must always be used when communicating.</p>

- **Birthday Policy**

	<p>THRIVE Academy recognizes the importance of birthdays in a student's life and will do our best to make each student's birthday special while respecting the wishes of those who choose not to participate. If families wish to celebrate their child's birthday at school, these guidelines must be followed:</p> <ul style="list-style-type: none"> ● Families must notify the main office AND homeroom teacher at least one 2 weeks prior to the day of the child's desired birthday celebration; ● Families may send birthday treats during recess or free choice hours only; ● All birthday treats must be store bought, sealed, and individually packaged; ● Families must bring napkins, paper plates or paper towels. <table border="1" data-bbox="215 1743 1518 1890"> <thead> <tr> <th data-bbox="215 1743 868 1801">Acceptable Items</th><th data-bbox="868 1743 1518 1801">Not Acceptable Items</th></tr> </thead> <tbody> <tr> <td data-bbox="215 1801 868 1890"> <ul style="list-style-type: none"> ● Cookies ● Cupcakes </td><td data-bbox="868 1801 1518 1890"> <ul style="list-style-type: none"> ● THRIVE ACADEMY is a nut free school. ● Cake or other food items that need to be </td></tr> </tbody> </table>	Acceptable Items	Not Acceptable Items	<ul style="list-style-type: none"> ● Cookies ● Cupcakes 	<ul style="list-style-type: none"> ● THRIVE ACADEMY is a nut free school. ● Cake or other food items that need to be

- Soda or any other drink that needs to be poured.

We also know that some families would prefer that their scholars NOT celebrate birthdays, and we respect that belief as well.

○ **Visitors**

To ensure the safety of our students and staff, all visitors to the school, including parents, must check in at the main office. We use a visitor system which requires visitors to sign-in using a photo ID (driver's license, preferred). You are then given a visitor badge which you must wear while you are in the building. Even if you visit the school on a regular basis, you will still be required to sign-in using our visitor system. This also helps us to know who is in the building in the event there is an emergency. Please make sure you sign out by scanning your badge at the main office before leaving. If you are not following the security procedures or are being disruptive in any way, our staff and security personnel reserve the right to ask you to leave or remove you from school grounds.

● **Safety and Weather**

○ **Emergency Drills**

The safety of all students and staff in our schools is very important to us. In order to maintain a safe environment for our students to study and learn, it is necessary that we practice our emergency and crisis response plans by having drills designed to exercise our procedures.

Below are some examples of drills that are conducted at our school:

FIRE DRILLS

KIPP will conduct a "fire drill" each month that school is in session. This is a Fire Code and New Jersey requirement. It is important for every student and staff member to understand and be aware of the importance of this drill and not be afraid when the fire alarm sounds. By practicing, students and staff will know what to do and how to do it.

LOCKDOWN DRILLS

KIPP conducts "Lockdown Drills" throughout the school year. This type of drill will secure the school building and safely shelter all students, staff and visitors inside the building. The purpose of this drill is to keep the students and staff safe from any danger outside or inside the building. During a "Lockdown Drill," all of the perimeter doors to the school building will be locked and will remain locked until the danger or issue outside or inside the building is removed. To enable everyone to remain safe in the event of a real emergency, no one will be allowed to enter the building or leave the building until the authorities authorize such a release.

In the event of a real emergency, parents will receive an “all-call” similar to the calls we send out for weather-related closures or delays. As a result, **it is extremely important that you provide the main office with up-to-date contact numbers by emailing THRIVEMainOffice@kippnj.org**. This is the fastest way for us to notify all families as school staff may not be able to answer phone calls or respond to texts during an emergency.

○ **Inclement Weather Policy**

KIPP Newark schools typically follow the Newark Public Schools for all school closings, delays, and early dismissals during the winter weather months.

Delay	KIPP Start Times
	ES & BOLD
1 Hour	8:45 am
90 Minutes	9:15 am
2 Hours	9:45 am

KIPP Newark will post closings, delays, and early dismissals on local news stations, our website, as well as our school Facebook and Instagram social media pages.

An “all-call” to families will be sent out when the school is closed, delayed or if we have an early dismissal due to weather. Please make sure the main office has a current phone number on file.

○ **Make-Up Days**

The KIPP Newark school calendar allows for 5 school days to be missed due to emergency or inclement weather. Emergency days are as follows:

- If we use 5 emergency days before March 1st, 3/29 and 5/24 become half days for students (and half PD days for teachers).
- If we use 4 emergency days before March 1st, 5/24, becomes a half day for students (and half PD day for teachers).
- If we use exactly 3 emergency days before March 1st, there is no change to the calendar.
- If we use only 2 emergency days before March 1st, 3/15 becomes a day off for staff and students.
- If we use only 1 emergency day before March 1st, 3/15 and 5/24 become days off for staff and students. In this case, 5/23 would become a staff PD Day in place of 5/24.
- If we use 0 emergency days before March 1st: 3/15, 4/19, and 5/24 become days off for staff and families. In this case, 5/23 would become a staff PD day in place of 5/24.

○ **Student Release**

Elementary students are not allowed to walk home on their own at any time; they must be walked home with someone on the approved pick-up list.

● **Health and Wellness**

○ **Immunizations**

New Jersey law requires all students, starting in Kindergarten, to have current immunizations on file at the school [N.J.A.C. 8:57-4]. Students who turn 11 years old are required to get their boosters. Required vaccinations include all DTAPs, Hepatitis, MMRs, Varicelas, and IPV's prior to starting school.

○ **Physicals**

All new students entering KIPP Newark schools, grades K-12, must have an updated physical on file at the school. Forms for physicals are included in the mandatory health packet that all new students are required to submit prior to joining KIPP. Students who enter grades K, 5, and 9 are required to have an updated physical on file at the school. We also highly recommend getting an annual physical to ensure school nurses have the most current information regarding a student's health.

- **Sports Physicals**

Any student participating in a sport, including athletic teams or squads, must have a sports physical on file at the school within 365 days prior to the first day of practice. Sports physicals differ from regular physicals because sports physicals include a cardiac component.

- **Family Notification of Health Incidents**

Families will be notified for any serious injuries at school. These include, but are not limited to, head injuries, suspected fractures, and uncontrollable bleeding. Please make sure the main office has your current phone number on file.

- **Medications Policy**

Medication cannot be administered or consumed at school unless both a doctor and a parent/guardian have completed the appropriate forms. If a student needs to take medication(s) at school, then the parent or guardian must bring the medications to school and sign-off on the School Medication Receipt form. The medication needs to be in the original container with the appropriate prescription label, including the name of the student, the name of the medicine, the date, the dosage information, and directions for administering the medication. All medications must be handed directly to the school nurse. All medications are stored securely in the school nurse's office. Only the school nurse may administer medication, including over-the-counter medications. Students may not self-administer (except in a few circumstances permitted under New Jersey law). School nurses are authorized to provide infrequent over-the-counter drugs to students, such as ibuprofen, unless a doctor or family member has noted otherwise on the student's health form.

- **Illness at School**

Students with a temperature of 100.6 orally and above must go home and should be picked up by a parent or guardian from the release list within one hour of notification. Parents/guardians must physically come into the school and sign the student out. (Students who are 18+ may check themselves out. However, it is strongly recommended that any student who is ill will be required to have a parent/guardian pick him or her up from the school.) Students can return to school if the student has been fever-, diarrhea- and/or vomit-free for 24 hours without the use of medication.

- **Incidents**

If a student has an incident at school and the school nurse suspects the need for further evaluation, then the parent will be notified and an incident report will be completed and sent home with the student. If a serious injury is suspected, then the parent must pick the student up within one hour of notification or the student will be transported to the Emergency Department by ambulance. If the injury is considered life-threatening, then 911 will be called right away and then the parent will be notified. Parents have the right to deny transportation via ambulance, however, the parent will need to sign a waiver with EMS (Emergency Medical Services) personnel.

- **Bathroom Accidents**

Students of any age who have a bathroom accident with no extra clothes will follow the procedure below:

- All K-1 Families are expected to send their scholar with a change of clothes in a labeled, clear plastic bag at the beginning of the school year.
- If no clothes are present, student will wait in the nurse's office until a change of clothes is secured. This leads to loss of instructional time.

- Parent/guardian will be notified to bring clothes to school. We ask that parents make every effort to comply with this request as soon as they are notified.
- If the student has frequent bathroom accidents, then the parent should follow-up with the student's Primary Care Provider.

- **Allergies**

All allergies must be supported by a physician and documented on the physical as well as the Allergy Action Plan. If the student has a history of Anaphylaxis, then the student must have an EpiPen order and EpiPen at school. All Anaphylactic incidents for students without an EpiPen at the school will require a call to 911. If the student is required to eat or drink special foods/drinks due to an allergy, the physician must document the specific allergy and the alternatives to be given. For example, if a student is allergic to dairy products and the medical documentation requires the student to drink almond milk, then the medical documentation on the physician's letterhead must state that almond milk be offered. This is documentation we provide to our food service provider as well. All KIPP Newark schools are peanut-free due to the severity of peanut allergies. Please make sure you let the school know if your child has any new allergies and please provide the medical documentation.

- **Meal Program/Nutrition**

All families must fill out a federal free/reduced lunch form on an annual basis. School breakfast, lunch, and snack are free for all students since KIPP Newark schools are part of the Community Eligibility Program (CEP). Families may choose to have their children eat breakfast at home and/or send a bag lunch.

KIPP Newark encourages students to make healthy choices when it comes to eating and drinking. Students receive breakfast, lunch, and snack daily so that they have energy to keep them focused throughout the day. Students have access to multiple choices for breakfast and for lunch on a daily basis. In order to promote a healthy learning environment, if you choose to send a snack with your student in addition to the food served at the school, we encourage the consumption of healthy snacks on campus. Students may bring fruit, vegetables, juices, or single servings of crackers.

- **Wellness Policy**

KIPP Newark schools are committed to providing a school environment that promotes and protects student health, well-being, and ability to learn by supporting healthy eating and physical activity. Our commitments to providing nutrition education and regular physical activity, as well as access to nutritious foods for all students, will apply to all students throughout all grades at KIPP.

- KIPP Newark will engage students, parents, teachers, food service professionals, health professionals, and other interested community members in developing, implementing, monitoring, and reviewing nutrition and physical activity policies at our schools.
- All students will have opportunities, support, and encouragement to be physically active on a regular basis.
- Foods and beverages served at school will meet the nutrition recommendations of the current *U.S. Dietary Guidelines for Americans*.
- KIPP Newark schools will provide modified nutrition education and physical education to foster lifelong habits of healthy eating and physical activity.

For more information about the KIPP Newark Wellness Policy, please visit <https://kippnj.org/compliance>.

- **Elementary School (K-4) Grading and Assessments**

Students will be graded based on their mastery of grade level standards. Progress reports and report cards will report on student mastery of standards assessed through writing samples, reading level testing, and reading & math quizzes and tests. Other indicators such as attendance, sight word mastery, homework completion, and

behavior are closely monitored and contribute to a student's overall performance.

Proficiency Band	Score Range	Mastery?

○ **Homework**

ES	Your scholar's teachers will inform you about homework expectations throughout the school year. We seek to take a developmentally appropriate approach depending on the grade and age level of your scholar in terms of the length and rigor (challenge level) of homework.
-----------	---

Formative Assessments

Students have the opportunity to revise any formative assessment that they did not receive full credit for. Regardless of type of a formative assignment, the students should be able to earn back all available points during the revision/re-take.

○ **Gifted and Talented Policy**

At KIPP, we are committed to meeting the needs of all learners - including students who are gifted and talented. KIPP Newark will therefore provide all gifted and talented students with programs which provide for gifted and talented students' basic education while encouraging optimum development of the students' special abilities. Programs shall be developed or located which stimulate students to participate constructively in, and contribute to, the activities of the school, the community and society. The full Gifted and Talented Policy is available upon request to the school.

○ **Retention and Promotion Policy**

We believe that, while the timeframe may differ for different students, all of our kids will ultimately be academically prepared to lead choice-filled lives. We recommend retention only when we believe that repeating a grade will benefit the student. Factors that we consider when making retention decisions include but are not limited to:

- Grades
- Reading level
- Math proficiency
- Attendance

If your child is being retained in their current grade, your child's school leader will communicate this decision to you by the last day of school.

- **Behavior**

At KIPP Newak, we will cultivate the academic, social-emotional, and character skills students need to lead choice-filled lives. These habits will be built in the learning environment with staff, students, families, and the community. We use a variety of developmentally appropriate methods (i.e., responses, conversations, incentives, recognition, and consequences) to teach necessary skills for students to make more informed choices. We envision a school where:

- Our high expectations are rooted in clear, consistent, rational guiding systems and routines;
- Universal responses, conversations, incentives, recognition, and consequences are methods that we use to teach necessary skills for students to make more informed choices
- All members of the school community exhibit tolerance and respect for each other;
- Staff members equitably support 100% of our students to meet their potential;
- Staff create a balance of proactive and reactive approach to student challenges;
- Students take responsibility for their own actions and their own learning;

- **Behavior Management System**

The *HeartBEAT* positive point system aims to encourage students to attain the high standard of behavior expected of them. It is imperative that we not only recognize when a student meets expectations, but exceed them as well. This is a system to monitor individual student's conduct and help students make good decisions. The *HeartBEAT* points will encourage positive and responsible behavior. Students will earn points when they display values from our key principles (**Be Kind** - **Effort** - **Accountability** - **TeamWork**). Students can earn positive points for demonstrated behavior that is aligned to our core values, which can be redeemed for recognition and participation in events that celebrate and encourage their investment, engagement, and joy in school. However, engaging in behavior that goes against our code of conduct can result in consequences.

Key Principles	Definition of Principles	Key Indicators	Point Value
 <p>Be Kind <i>We recognize, appreciate, and encourage others.</i></p>	Relates to how we treat ourselves and each other. Our goal is to empower our students to make positive changes in the world through encouraging optimism and positive energy.  <p>Effort <i>We work diligently and stay focused on tasks.</i></p>	Relates to students' sense of self-efficacy and is a key component of their intellectual engagement. We aspire to instill in our students the habits necessary for them to excel in all facets of their lives.	1. Resiliency 2. Problem-Solving	1

 <p>Accountability We take accountability and responsibility for our actions</p>	<p>Is a crucial skill for responsible and contributing members of the community. ○ **Student Code of Conduct**

KIPP believes that effective classroom management and a clear plan for discipline are essential for positive, productive classroom environments. Classroom management should center on proactive guidelines and procedures that establish clear expectations, foster engagement, and prevent misbehavior and confusion before they arise.

KIPP believes that discipline should be a learning experience in and of itself carried out with the students' best interests in mind. Discipline should help teach students to be responsible and self-disciplined. Such an atmosphere must include the resources to support and teach student growth, respect for self, others, as well as for school based and community property.

Level of Infractions Definition	
Tier 1	These are minor violations that don't meet expectations and can disrupt the learning environment negatively.
Tier 2	These violations can include breaking clearly stated school rules, leading to a referral or intervention. They can also include serious choices that put safety at risk, potentially causing harm to others.
Tier 3	These violations may result in significant harm to individuals and/or the entire school community. It may involve possession of weapons on school property or at school-sponsored events. In such cases, students are likely to be suspended and receive outside support, with law enforcement contacted if needed.
This policy categorizes behaviors and responses in a developmentally appropriate manner for the student and school community. However, school administrators may make final decisions if a student violates the code. The listed behaviors, below, are not exhaustive, but will be treated in a similar manner.

For the purposes of this document, weapons or dangerous instruments are broadly defined to include, but not limited to, those defined in N.J.S.A.2C:39-1f and 18 U.S.C. 921. Rifles, shotguns, machine guns, automatic or semiautomatic rifles, B.B. guns, dart guns, pellet guns, and other firearms; stilettos, and other knives which could inflict harm; blackjacks, bludgeons, metal knuckles, cesti or similar leather bands studded with metal fillings or razor blades embedded in wood; ice picks, razors, chains, bats, clubs, explosives; any weapon or other device which projects, releases, or emits tear gas or any other substance intended to provide temporary physical discomfort or permanent injury through being vaporized or otherwise dispensed in the air; and any other object that can reasonably be considered a weapon.

Disciplinary action shall be taken against students who possess, handle, transmit, or use weapons or dangerous instruments. As in all disciplinary cases, due process will be provided to the student. Disciplinary action imposed by the school may be in addition to sanctions levied by legal authorities. Any student who is convicted or found to be delinquent for the following offenses shall be immediately removed from the school's regular education program for a period of not less than one calendar year and placed in an alternative education school or program pending a hearing before the Board to remove the student: A. Possessing a firearm on any school property, on a school bus, or at a school-sponsored function; or B. Committing a crime while possessing a firearm.

- **Suspensions**

Aligned with the above, suspensions may occur as a result of code of conduct violations. The School Leader, or designee, has the authority to suspend students up to 10 consecutive days. A suspension beyond 10 consecutive days requires the approval of the Executive Director and results in a formal hearing before a committee of the Board of Trustees. If suspended for 5 or more consecutive days for a code of conduct violation, a student will receive home instruction no later than the 5th day of suspension.

- **Bus Expectations**

○ **Harassment, Intimidation, and Bullying (HIB) Policy**

At KIPP, we expect students to treat each other with civility and respect and will not tolerate acts of harassment, intimidation, or bullying. Like other disruptive or violent behaviors, this conduct interferes with the rights and abilities of students to learn and our ability to educate students in a safe and productive environment. Please see the Appendix for a summary of our HIB Policy.

If you believe your child or another student in the school is the victim of Harassment, Intimidation, or Bullying, please contact your school's HIB Specialist:

○ **Alcohol and Substance Abuse Policy**

We are committed to the safety and well-being of all students and their families in our schools. We recognize the harmful effects of drugs, alcohol, steroids and tobacco on student development, success, and life outcomes. As a result, we are committed to implementing wellness and recovery strategies to promote prevention, intervention, referral for evaluation, referral for treatment and continued care for drug, alcohol, steroids and tobacco use and abuse.

Students suspected of being under the influence of a substance will be referred to the nurse for screening. In accordance with N.J.S.A. 18A:40A-12 students suspected of being under the influence must immediately be evaluated by a physician.

For a summary of our Alcohol and Substance Abuse Policy, please see the Appendix.

○ **Electronics & Acceptable Use Policy**

Access to KIPP's internet network and technology is a privilege and must be treated as such by all users of the network and its associated systems. Our technological resources are intended to be used for educational activities. To ensure that our network remains secure, each and every user must protect the rights of the community. By using the school's systems, each student agrees to follow our Acceptable Use Policy and all applicable laws. For a summary of our Acceptable use policy, please see the Appendix.

○ **Cell Phone and Electronics Policy**

- Scholars should not bring cell phones or electronic devices to school. If a student brings one from home, it must remain in their backpack throughout the school day. THRIVE Academy is not responsible for any cell phones or electronic devices that are brought to school
- If a scholar brings a cellphone to school and is caught with it, it will be held until the parent comes to pick it up.

- **Students with Special Needs**

Special Education and Student Supports

KIPP Newark believes that all students can reach their potential. To this end, we provide special education services to students with an IEP or 504. We have certified special education teachers, paraprofessionals, related service providers, counselors, and school psychologists to provide on-going support to students who have been identified as qualifying for special educational services.

KIPP Newark is required by the Individuals with Disability Education Act (IDEA) to provide free, appropriate public education to children with disabilities who need special education and related services. New Jersey has adopted state laws that conform to the IDEA and which schools must follow. Under New Jersey Administrative Code Title 6A, Chapter 14, students between the ages of 3 and 21 are eligible for special education and related services if they meet the criteria for one or more of fourteen recognized disabilities. Eligibility is determined collaboratively by the Child Study Team, who can recommend classification only if the student's academic deficiencies are not the result of "a lack of instruction in reading, including the essential components of reading instruction, or math or due to limited English proficiency" (NJAC 6A:14-3.5(b)). Students are eligible for special education, assistive technology, and related services if they need specially designed instruction and have one or more of the following physical and/or mental disabilities: auditorily impaired, autistic, intellectual disability, communication impaired, emotionally disturbed, multiply disabled, deaf/blindness, orthopedically impaired, other health impaired, social maladjustment, specific learning disability, traumatic brain injury, visually impaired, and/or preschool child with a disability.

A. IEP Process

An IEP, or *Individualized Education Plan*, is a written support plan when a student is identified with a disability. This document describes a child's needs and explains the specific services that the school will provide a student to make progress in school.

The IEP is written by a team of professionals and a student's parents and guardians. In New Jersey this team is referred to as the Child Study Team. Parents and guardians are invited to all IEP meetings. A student is also invited to the meeting if his or her post-secondary goals and transition needs will be discussed at the meeting (this is required if the child will turn 14 during the next school year). If transition needs are not going to be discussed, then the parent or guardian can decide whether the child should attend the meeting. Parent and student input during these meetings is valued and encouraged.

After the IEP is written, parents and guardians are asked to sign the IEP. By signing this document, a parent indicates approval of the program and services described and identified on the student's IEP. More information about the special education process can be found in the *Parental Rights in Special Education (PRISE)*. This manual informs parents of their rights related to their child with a disability and is provided annually to parents.

B. Section 504

Some school age children with disabilities who do not meet special education eligibility requirements might still be eligible for special protections and for adaptations and accommodations in instruction, facilities, and activities under Section 504 of the Federal Rehabilitation Act of 1973.

A student is eligible for Section 504 protections and supports if he or she meets the following criteria:

- Has a chronic physical or mental disability that substantially limits or prohibits participation in or access to an aspect of the student's school program.
- Is not eligible for special education services or programs.

KIPP Newark schools must ensure that qualified students with disabilities have equal opportunity to participate in the school program and activities to the maximum extent appropriate for each individual student. Without discrimination or cost to the student or family, we provide each qualifying protected student with a disability the relevant aids, services or accommodations which are needed to provide equal opportunity to participate in and obtain the benefits of the school program and extracurricular activities to the maximum extent appropriate to the student's abilities and to the extent required by these laws. These supports and accommodations are documented in a Section 504 Service Agreement.

If you suspect that your child may qualify as a protected student with a disability, please contact the school social worker or Assistant Principal of Special Education to request an evaluation.

C. English Language Learner Supports

KIPP Newark schools provide non-English or limited English Language Learners (ELL) with English language instruction and cultural orientation. The goal of the ELL Program is to have students attain English language proficiency to enable them to succeed in school and in the community.

Parents of all incoming students are asked to complete a Home Language Survey as part of the registration process. Information from the survey is used to identify and screen students who may be eligible for ELL supports.

English Language Learners participate in annual state assessments with allowable accommodations annually. Students are graded using the same grading system as other students. English Language Learners, who are also students with a disability, are eligible for special education supports. A student's individual supports are determined at an IEP team meeting taking into consideration the child's unique strengths and instructional support needs.

Students exit KIPP Newark's ELL program based on New Jersey multiple measures exit criteria. Students are monitored for two years after exiting ELL using a review of grades, school-wide assessments, state assessments (NJSLA), and teacher observations.

D. Response to Intervention (RtI)

Response to Intervention (RtI) is a multi-tier approach to the early identification and support of students with learning and behavior needs by utilizing a problem-solving framework to identify and address academic and behavioral difficulties for all students using scientific, research-based instruction.

RtI is the practice of:

- Providing high quality instruction and intervention matched to the students' needs, and
- Using learning rate over time and level of performance to make important educational decisions to guide instruction.

The RtI process begins with high-quality instruction and universal screening of all children in the general education classroom. Struggling learners are provided with interventions at increasing levels of intensity to accelerate their rate of learning. These services may be provided by a variety of staff members, including general education teachers, special educators, and specialists.

Progress is closely monitored to assess both the learning rate and level of performance of individual students. Educational decisions about the intensity and duration of interventions are based on individual student response to the instruction. RtI

is designed for use when making decisions in both general education and special education, creating a well-integrated system of instruction and intervention guided by student outcome data.

Referral to RtI is not to be considered as a first step to Child Study Team evaluation. Quite the opposite, it is designed to provide necessary time-bound interventions for a student to make adequate academic progress. Response to Intervention is better described as a “response to instruction.” It provides a triage process that allows for progressive increases in the intensity and duration of instruction for students who continue to struggle with the general education curriculum. Through this preventive process, schools can meet the needs of all students and reduce the number of students inappropriately identified with a specific learning disability.

- **Student Protection**

- **FERPA Policy**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. KIPP Newark complies fully with this federal law. For a summary of KIPP's FERPA policy, please see the Appendix.

- **Media Release Policy**

Unless a parent or guardian grants KIPP permission during the enrollment process, KIPP Newark will not distribute or display photographs, video or audio footage of your child. If you do provide KIPP with this permission, we may make these photographs, video, or audio footage available for public viewing by various media outlets.

- **Statement of Non-Discrimination**

We are committed to equal opportunity for all of our students. We prohibit discriminatory practices against any person by reason of race, color, national origin, ancestry, age, sex, pregnancy, affectional or sexual orientation, gender identity or expression, marital status, domestic partnership status, familial status, liability for service in the Armed Forces of the United States, nationality, atypical hereditary cellular or blood trait of any individual, genetic information, or refusal to submit to a genetic test or make the results of a genetic test known, on account of disability, social or economic status, pregnancy, childbirth, actual or potential parenthood, or family status.

- **Child Abuse and Neglect**

Student safety is our first priority. All school staff are mandated reporters of child abuse and neglect and are legally required to call the Division of Child Protection and Permanency if there is suspected child abuse or neglect.

In New Jersey, anyone with reasonable cause to believe a child is being abused should immediately call the Child Abuse Hotline. If the child is in immediate danger, call 911 as well as 1-877 NJ ABUSE. Calls can be made anonymously and you do not need proof to report an allegation of child abuse. The Hotline is available 24 hours a day, seven days a week.

Examples of abuse and neglect include-

When a student reports:

- being abused at home.
- witnessing drug use in the home.
- being sexually abused.
- engaging in child pornography or prostitution.
- witnessing domestic abuse.
- being threatened at home.
- being afraid to go home.

When a staff member suspects or witnesses:

- physical abuse such as bruises, burns, fractures, etc.
- other potential indicators of abuse such as wariness of adult contact, behavioral extremes (aggression, withdrawal), fear of parents/guardians or going home, difficulty walking or sitting.
- neglect- including lack of basic food and clothing, poor hygiene, consistent hunger, fatigue or falling asleep in class, lack of appropriate supervision, lack of medical treatment, or the child is residing in an inappropriate or dangerous environment.
- engagement in risky behavior (including sexual behavior, drug use, etc.) where the parents/guardians are either unable or unwilling to intervene.
- absence from school to care for family members or to do chores/work around the house.
- absence from school to hold down a job.

When parents/guardians:

- repeatedly fail to return phone calls, respond to notes/letters home, or attend school meetings.
- withdraw a student and fail to provide compulsory education

Any person having reasonable cause to believe that a child has been abused or neglected has a legal responsibility to report it to the Division of Child Protection and Permanency at 1-877-NJ ABUSE (652-2873).

○ **Searches**

The School Leader or his/her designee may conduct a search of a student's person or belongings if the search is necessary to maintain discipline and order in the school, and the school official has a reasonable suspicion that the student is concealing contraband. All searches and seizures conducted by designated school staff shall comply with the standards prescribed by previous court decisions and in compliance with applicable law.

All persons and belongings entering our buildings are subject to search by security personnel, including use of metal detectors.

Appendix: Required Policies

1. Non discrimination/equal opportunity:

We are committed to equal opportunity for all of our students. We prohibit discriminatory practices against any person by reason of race, color, national origin, ancestry, age, sex, pregnancy, affectional or sexual orientation, gender identity or expression, marital status, domestic partnership status, familial status, liability for service in the Armed Forces of the United States, nationality, atypical hereditary cellular or blood trait of any individual, genetic information, or refusal to submit to a genetic test or make the results of a genetic test known, on account of disability, social or economic status, pregnancy, childbirth, actual or potential parenthood, or family status.

2. Harassment, Intimidation, & Bullying (HIB) Policy

The Board of Trustees expects students to treat each other with civility and respect and will not tolerate acts of harassment, intimidation, or bullying. Like other disruptive or violent behaviors, this conduct interferes with the rights and abilities of students to learn and our ability to educate students in a safe and productive environment.

The Board prohibits acts of harassment, intimidation, or bullying against any student.

"Harassment, intimidation or bullying" are defined as any gesture or any written, verbal or physical act, inclusive of the use of cell phones, electronic communication devices, or other electronic devices, whether it be a single incident or a series of incidents, that is reasonably perceived as being motivated either by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic, that takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, that substantially disrupts or interferes with the orderly operation of the school or the rights of other students and that:

- A. a reasonable person should know, under the circumstances, will have the effect of physically or emotionally harming a student or damaging the student's property, or placing a student in reasonable fear of physical or emotional harm to his person or damage to his property; or
- B. has the effect of insulting or demeaning any student or group of students in such a way as to cause disruption in, or interference with, the orderly operation of the school; or
- C. creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student.

Reporting Procedure

- 1. Report to School Leader: All acts of harassment, intimidation, or bullying shall be reported verbally to the School Leader on the same day when an individual – student, employee, or contractor – witnesses or receives reliable information regarding an incident.
- 2. Report to Parents: The School Leader shall inform the parents or guardians of all students involved in the reported incident and may discuss, as appropriate, the availability of counseling or other intervention services.
- 3. Reported in Writing: All acts of harassment, intimidation, or bullying shall be reported in writing to the School Leader within two school days of when the individual witnessed or received reliable information about the incident.

Investigation Procedure

Within one school day of receipt of a written report of an incident, the School Leader may initiate an investigation at his or her discretion, which shall be conducted by a school anti-bullying specialist (and additional personnel appointed by the School Leader, if necessary). The investigation shall be completed at the latest within 10 days of receipt of the written report. The results of the investigation shall be reported to the Board of Trustees no later than the date of the Board meeting next following completion of the investigation. Information presented to the Board shall include, but shall not be limited to, training established, discipline imposed, or any other action taken or recommended by the School Leader.

Pursuant to state law, schools have the right to interview students without parents being present.

Right to a Hearing

Parents/guardians of students who are parties to the investigation shall be entitled to receive information about the investigation. This information shall be provided within 5 school days after the results of the investigation are reported to the Board. A parent/guardian may request a hearing before the Board after receiving the information, which shall be held within 10 days of the request during executive session. At the hearing, the Board may hear from the school anti-bullying specialist about the incident, recommendations for discipline or services, and any training programs instituted.

Board Decision

At the next Board of Trustees meeting following its receipt of the report, the Board shall issue a decision, in writing, to affirm, reject or modify the School Leader's decision.

Consequences and Remedial Action for a Student who Commits an Act of Bullying

Consequences and appropriate remedial actions for a student who commits an act of harassment, intimidation, or bullying shall be determined by the School Leader and may range from positive behavioral interventions up to and including suspension or expulsion. In considering what response is appropriate, the School Leader shall consider the nature and circumstances of the act, the degree of harm to all individuals involved, the nature and severity of the behavior, past incidences or past or continuing patterns of behavior, and the context in which the alleged incident(s) occurred.

Retaliation/False Accusations

Any employee, student, volunteer, or member of the public who witnesses or has reliable information that any student has been subject to harassment, intimidation or bullying as defined in this policy must report the incident to the appropriate school official designated by the administration. The Board will not tolerate any act of reprisal or retaliation against any person who reports an act of harassment, intimidation, or bullying. Individuals are also prohibited from falsely accusing another as a means of retaliation or as a means of harassment, intimidation, or bullying.

Consequences:

- **Students:** The appropriate remedial action shall be determined, in each particular case, by the School Leader after consideration of the nature, severity and circumstances of the act. The consequences for a student found to have retaliated against another for reporting an act or falsely accusing another of harassment, intimidation or bullying may range from positive behavioral interventions up to and including suspension or recommendation of expulsion.
- **School Employees:** Consequences and appropriate remedial action shall be determined by the School Leader in accordance with school policies, procedures and agreements.

- Visitors or Volunteers: Consequences and appropriate remedial action shall be determined by the School Leader after consideration of the nature, severity and circumstances of the act, including reports to appropriate law enforcement officials when appropriate.

The full HIB policy, including any revisions after the date of this handbook's publication, can be found online at: <https://kippnj.org/compliance>.

3. Alcohol/Substance Abuse Policy

We are committed to the safety and well-being of all scholars and their families in our schools. All staff receive training and education on substance abuse prevention and intervention to ensure we are creating and maintaining a safe learning environment for all scholars. We recognize the harmful effects of drugs, alcohol, steroids and tobacco on scholar development, success, and life outcomes. As a result, we are committed to implementing wellness and recovery strategies to promote prevention, intervention, referral for evaluation, referral for treatment and continued care for drug, alcohol, steroids and tobacco use and abuse.

In accordance with N.J.S.A. 26:3D-17, the use of tobacco products and smoking of any substance is prohibited in school buildings and on school grounds. We are committed to promoting a healthy learning and working environment, free from unwanted smoke, for our scholars, family, and visitors.

The following are strictly prohibited:

- Alcoholic beverage, of any kind
- Over-the-counter and prescription drugs/medications that are improperly used to cause intoxication, inebriation, excitement, stupefaction, or dulling of the brain or nervous system.
- Any controlled dangerous substance, including anabolic steroids, as defined in N.J.S.A. 24:21-2 and 2C:35-2; and N.J.S.A. 18A:40A-9
- Any chemical or chemical compound which releases vapor or fumes causing a condition of intoxication, inebriation, excitement, stupefaction or dulling of the brain or nervous system, including, but not limited to, glue containing a solvent having the property of releasing toxic vapors or fumes, as defined in N.J.S.A. 2C:35-10.4.

Students are not permitted to use or possess any tobacco products or smoking device on school grounds or property, school bus or during school functions (on or off campus). Possession or use of an electronic smoking device, which includes electronic cigarettes (e-cigarettes), cigar, cigarillo, cartridges or pipe which is a nicotine delivery device that allows consumers to inhale electronically vaporized nicotine water is prohibited.

The comprehensive alcohol and substance abuse policy is available at your child's school upon request.

Searches

The School Leader or his/her designee may conduct a search of a student's person or belongings if the search is necessary to maintain discipline and order in the school, and the school official has a reasonable suspicion that the student is concealing contraband. All searches and seizures conducted by designated school staff shall comply with the standards prescribed by previous court decisions and in compliance with applicable law.

All persons and belongings entering our buildings are subject to search by security personnel, including use of metal detectors.

4. Electronics/Acceptable Use Policy

Access to our network is a privilege and must be treated as such by all users of the network and its associated systems. Our technological resources are intended to be used for educational activities. To ensure that our network remains secure, each and every user must protect the rights of the community. By using the school's systems, each student agrees to follow this policy and all applicable laws.

Prohibited Activities

- Users shall not attempt to gain unauthorized access (hacking) to the school's systems or to any other computer system via the school's network, nor shall they go beyond their authorized access. This includes attempting to log in through another individual's account or accessing another's files.
- Users shall not deliberately attempt to disrupt the school's computer systems' performance or destroy data by spreading computer viruses, malware or any similar product that can damage computer systems, firewalls, servers or network systems.
- Users shall not use the school's systems to engage in illegal activities or any activities that could expose the school, its employees, or other persons to criminal or civil liability.
- Users shall not access material that is profane or obscene, that advocates illegal acts, or that advocates violence or hate. Inadvertent access to such material should be reported immediately to the supervising staff person.
- Users shall not utilize the school's network for the transaction of any non-school related business and/or any commercial purposes. Users shall not make use of the school's network or computer systems for any product advertisement.
- Users shall not plagiarize material that is available on the Internet. Plagiarism is presenting another's ideas/words as one's own.
- Users may not intentionally waste limited resources. Users must not post chain letters or engage in "spamming". Spamming is the sending of an annoying and unnecessary message to a large number of people.
- The school's Harassment, Intimidation, and Bullying (HIB) policy is in effect for all network activity and users will be held responsible for any violation of the HIB policy. Users are prohibited from cyberbullying one another.

Users shall not use the school's systems to spread messages that can reasonably be interpreted as harassing, discriminatory, racist, hateful or defamatory. Prohibited language applies to public messages, private messages, and material posted on web pages.

Students using the school's computer systems

- Students must not reveal personal information about themselves or other persons on social networking sites, in chat rooms, in emails or other direct electronic communications, or any other forum over the Internet. For example, students must not reveal their home address, or telephone or cell phone number. Students must not display photographs of themselves, or the images of others.
- Students should not meet anyone in person who they have met only on the Internet.
- Students must promptly disclose to their teacher or other school employee any message or other activity they receive that is inappropriate or makes them feel uncomfortable.
- Although students generally will be supervised when using the school's computer systems on school property, it is not practicable for the school to monitor and enforce a wide range of social values in student use of the Internet. Parents/Guardians are primarily responsible for transmitting their particular set of family values to their children, and discussing with their children what material is and is not acceptable for their children to access through the school's Internet systems.

The school reserves the right to take immediate action regarding activities that (1) violate this policy or law, or (2) create security and/or safety issues for the school, students, employees, schools, network or computer resources, or (3) expend school resources on content that the school determines lacks legitimate educational purpose, or (4) the school determines are inappropriate.

Our full policy is available upon request at your child's school.

5. Gifted and Talented Policy

The school will provide all gifted and talented students with programs which provide for gifted and talented students basic education while encouraging optimum development of the students' special abilities. Programs shall be developed or located which stimulate students to participate constructively in, and contribute to, the activities of the school, the community and society.

The full Gifted and Talented Policy is available upon request to the school.

6. FERPA Notification of Rights and Directory Information Policy

FERPA Notification of Rights

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the district receives a request for access. Parents or eligible students who wish to inspect their child's or their education records should submit to the School Leader a written request that identifies the records they wish to inspect. The School Leader will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the district to amend their child's or their education record should write to the school leader, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also includes a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, insurance investigator, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures of the district to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202

Directory Information Policy

The Family Educational Rights and Privacy Act (FERPA) requires that the district, with certain exceptions, obtain parent/guardian consent prior to the disclosure of personally identifiable information from a child's educational records. However, the district may disclose appropriately designated "directory information" without written consent, unless the parent/guardian has advised the district to the contrary. The primary purpose of directory information, which is information that is generally not considered harmful or an invasion of privacy if released, is to allow the district to include this type of information in certain school publications. Examples include:

- A playbill or concert program showing your student's role or listing your student's name
- The annual yearbook
- Honor roll or other recognition lists
- Graduation or "stepping up" programs
- Sports activity sheets, such as for wrestling, showing the weight and height of team members.

Directory information can be disclosed to outside organizations without a parent's prior written consent.

The district, has designated the following information as directory information:

- Student name
- Grade
- School/Homeroom
- Participation in officially recognized activities and sports
- Parent/guardian name
- Address
- Telephone listing
- Electronic mail address
- Honors and awards received
- Dates of attendance

If you do not want the district to disclose any of the above-listed directory information about your child you must notify the school. Absent this notification it will be assumed you consent to having your child's information available as directory information.

7. Child Abuse & Neglect

Student safety is our first priority. All school staff are mandated reporters of child abuse and neglect and are legally required to call the Division of Child Protection and Permanency if there is suspected child abuse or neglect.

In New Jersey, anyone with reasonable cause to believe a child is being abused should immediately call the Child Abuse Hotline. If the child is in immediate danger, call 911 as well as 1-877 NJ ABUSE. Calls can be made anonymously and you do not need proof to report an allegation of child abuse. The Hotline is available 24 hours a day, seven days a week.

Examples of abuse and neglect include-

When a student reports:

- being abused at home.
- witnessing drug use in the home.
- being sexually abused.
- engaging in child pornography or prostitution.
- witnessing domestic abuse.
- being threatened at home.
- being afraid to go home.

When a staff member suspects or witnesses:

- physical abuse
- such as bruises, burns, fractures, etc.
- other potential indicators of abuse such as wariness of adult contact, behavioral extremes (aggression, withdrawal), fear of parents/guardians or going home, difficulty walking or sitting.
- neglect- including lack of basic food and clothing, poor hygiene, consistent hunger, fatigue or falling asleep in class, lack of appropriate supervision, lack of medical treatment, or the child is residing in an inappropriate or dangerous environment.
- engagement in risky behavior (including sexual behavior, drug use, etc.) where the parents/guardians are either unable or unwilling to intervene.
- absence from school to care for family members or to do chores/work around the house.
- absence from school to hold down a job.

When parents/guardians:

- repeatedly fail to return phone calls, respond to notes/letters home, or attend school meetings.
- withdraw a student and fail to provide compulsory education

Any person having reasonable cause to believe that a child has been abused or neglected has a legal responsibility to report it to the Division of Child Protection and Permanency at 1-877-NJ ABUSE (652-2873).

8. Title IX Policy

We are committed to providing students, employees, and volunteers with an environment that is safe, welcoming, and inclusive. We take seriously its obligations to ensure that no student or employee suffers discrimination on the basis of sex, as defined in Title IX of the Education Amendments Act of 1972 ("Title IX"). Title IX requires that "[n]o person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance..." 20 U.S.C. § 1681(a). We do not discriminate against or tolerate discrimination against students, employees, or applicants on the basis of actual or perceived sex, sexual orientation, gender identity or expression.

The following acts are prohibited and will not be tolerated:

- Dating violence
- Discrimination on the basis of sex
- Domestic violence
- Sexual assault
- Sexual harassment
- Stalking

Any person may report sex discrimination, whether or not the person reporting is the person alleged to be the victim of sexual harassment, in person, by mail, by telephone, or by electronic mail.

Reports may be made to any staff member with whom the person reporting feels comfortable, including our Title IX Coordinator, any teacher, counselor, the school Assistant Principal, the school Principal/designee, or any Dean. A report may be made at any time (including during non-school hours) and as soon as possible in order for us to maximize our ability to respond promptly and effectively.

Our complete Title IX policy, process, and contact information can be found at <https://kippnj.org/titleix/> or at your school's main office.

9. Social Media Policy

Social media has become a powerful communication tool. With the power of social media come responsibilities. These guidelines provide best practices under which members of the KIPP community (families, teachers, students, and staff) should operate when using these tools. **The basic principle is that community members are expected to adhere to the same levels of civility in their online and face-to-face conversations. The same laws, school policies, guidelines, and personal and professional expectations for interacting with all KIPP community members apply online as in the real world.** For example, posting defamatory or confidential information about students or teachers may violate existing school policies and be handled as such.

Family members who engage in disrespectful or disruptive behavior on social media and/or while on campus may have their access to campus revoked or limited, per KIPP NJ policy. Off-campus conduct that interferes with the orderly operation of the school may result in discipline to a child under the student code of conduct.

Harmful social media posts not only negatively impact our community, but make it more difficult for our school team to respond to and resolve issues quickly and effectively, especially in instances where student privacy is at stake. We encourage everyone to consider the unintended and long-term effects of social media posts that may refer to or include children, whether family or otherwise. In order to maintain an environment where all students can thrive, our expectation is that all KIPP family members also maintain mutually respectful relationships with all school staff.

We also encourage all families to speak with their children about the potential negative impact of social media and the consequences of engaging in behavior that negatively impacts others, and to actively partner with their child's school in ensuring that your child does not engage in unsafe or harmful behavior outside of school.

We will investigate any threat made toward the school or our school community (by anyone) which may also include involving the police and/or other authorities in the investigation.

Since social media are constantly changing, these best practices may be updated frequently.

See our Code of Conduct for our policies and procedures in dealing with conflict.

10. Students Rights

An effective, instructional program requires an orderly school environment, and the effectiveness of the educational program is, in part, reflected in the behavior of students. Such an environment includes respect for self and others, as well as for district and community property.

- Students have the right to receive an education that allows for maximum personal growth and prepares them to be productive members of our society.
- Students have the right to participate in all aspects of the school, regardless of race, color, creed, national origin, ancestry, age, marital status, affectional or sexual orientation, genetic identity, pregnancy, gender identity or

expression, religion, disability, or socioeconomic status. This includes transgender or gender non-conforming students. (N.J. Law Against Discrimination, Title IX of the Education Amendments of 1972, 20 U.S.C. § 1681 et seq).

- Students have the right to present information and a written statement that has a bearing on disciplinary action and due process based upon the disciplinary action. In addition, the student has the right to appeal decisions to the Commissioner of Education pursuant to N.J.A.C. 6A:3-1.3 through 1.17; and, where applicable, N.J.A.C. 6A:14-2.7 and 2.8, and N.J.A.C. 6A:16-7.2 through 7.5; in accordance with the procedures and timelines established for each specific infraction.
- Students have the right to a safe, comfortable, secure, and orderly school environment.
- Students have the right to confidentiality regarding their student records as per federal and state laws.
 - i. Advance notice of behaviors that result in suspensions and expulsions that have been identified pursuant to N.J.S.A. 18A:37-2;
 - ii. Attendance at school irrespective of students' marriage, pregnancy, or parenthood;
 - iii. Parent notification consistent with the policies and procedures established pursuant to N.J.A.C. 6A:16-6.2(b)3, in instances of law enforcement interviews involving their children to the extent permitted by law, and N.J.A.C. 6A:16- 7.2 through 7.8 suspensions and expulsions; and
 - iv. Protections pursuant to 20 U.S.C. § 1232g, Family Educational Rights and Privacy Act; 34 CFR 99, Family Educational Rights and Privacy; 20 U.S.C. § 1232h, Protection of Pupil Rights; 34 CFR Part 98, Student Rights in Research, Experimental Programs, and Testing; P.L. 104-191, Health Insurance Portability and Accountability Act; 45 CFR 160, General Administrative Requirements; 20 U.S.C. § 7165, Transfer of school disciplinary records; 42 CFR Part 2, Confidentiality of Alcohol and Drug Abuse Patient Records; N.J.S.A. 18A:40A-7.1, Confidentiality of certain information provided by pupils, exceptions; N.J.A.C. 6A:16-3.2, Confidentiality of student alcohol and other drug information; N.J.S.A. 18A:36-19, Pupil records, creation, maintenance and retention, security and access, regulations, nonliability; N.J.S.A. 2A:4A-60, Disclosure of juvenile information, penalties for disclosure; N.J.A.C. 6A:32-7, Student Records; N.J.A.C. 6A:14-2.9, Student records; as well as other existing Federal and State laws and rules pertaining to student protections.

11. Keeping Kids Safe with Appropriate Boundaries

KIPP's first priority is to ensure the well-being, safety, and protection of each of its students as well as the adults who work and volunteer at the school. **Healthy, supportive relationships are a pillar of the KIPP community.**

Students and Families should be aware that the following practices are followed at KIPP:

- Staff must ensure that if spending any time outside of school with KIPP students, that it is school sanctioned, permission is granted by the student's parent/guardian and other adults are present. In general, staff should not "hang out" with students outside of school or spend an inordinate amount of time "hanging out" with students even inside the school for any non-school sanctioned purpose in order to ensure healthy boundaries are being kept.
- Staff shall not direct or encourage a student to keep a secret from or not share information with his/her/their parent/caregiver or other adults
- Staff not be alone with a KIPP student in a non-observable setting.
- Staff shall not discipline students in any physical manner.
- Staff shall not have extended physical contact with a student or recent alumni. Any contact should be limited to a supportive or congratulatory quick hug, arm squeeze, or pat on the back and should always be student initiated.
- Staff shall not converse with a KIPP student or recent alumni about the student's sexual or romantic life. Staff shall not make sexual jokes, comments or engage in any conversation that has a sexual innuendo, or contains sexual stories.
- Unless it is an emergency, and if at all possible, staff should wait to speak to the child in school the following day. Staff shall never speak with an elementary school or middle school child on the phone unless they first speak to the parent/guardian and obtain consent. If necessary, a staff member may call a high school student provided there is parental permission.

- Staff shall not have students at their private residence unless it is an officially school sanctioned event with parent/caregiver permission and multiple adults present. Exceptions are if the staff member's own child has an age appropriate friendship with the other students.
- Staff shall only email students using official KIPP email accounts to a student's official school account.
- Staff shall only text message a student if there is a separate adult on the text thread. If a student texts an adult then the adult shall reply with another adult on the thread.
- Staff shall not use apps or websites with private messaging to communicate with students. If a student needs to discuss a sensitive matter then it should be done at school or must involve another adult.
- Staff shall not use their social media pages to "friend" a student or accept a "friend" request from a student.
- Staff shall not engage in gaming with KIPP students.
- Staff shall not babysit students.

If students or families are aware of any violation of the above policy then it should be immediately reported to the School Leader.
