- Title I provides federal funding to help students who are low achieving or at most risk of falling behind.
- We are designated a schoolwide program. We use Title I funds to upgrade the entire educational program of our schools.
- To accomplish these goals, we must develop an annual plan.
- Our current plan includes improving language arts literacy + reading and math skills, improving teachers' instructional skills, increasing parent/community involvement and increasing the social/emotional health of our students.
- Parents are an integral part of our schoolwide plan committee, so you are welcome to join our Title I Stakeholder Committee! Please email charris@kippnj.org to join.
